Health Attestation

The undersigned official veterinarian certifies that the products designated above:

1. Have come from New Zealand, a country free from foot and mouth disease, rinderpest, peste des petits ruminants and contagious bovine pleuropneumonia.
2. Have been fully processed into pickled pelts that have undergone salt treatment for at least 30 days.
3. Have been derived from animals that have not been killed as part of a program for eradication of disease outbreaks.
4. Have been derived from animals that have been slaughtered in slaughterhouses under official control and have passed ante-mortem and post-mortem inspection and found free from the above diseases.
5. Have not been in contact with skins or other products of inferior health status.
